8. Announcements and other Matters of Interest:

- Tracy
 - The new State Certificate exam process was discussed. We are able to register individuals for any published test site.
 - MABAS reimbursement (ITTF) was discussed.
 - Officer Development was discussed. Send Tracy any information you may have put together.
 - Schaumburg has partnered with Fire Training Resources to bring training to the area.
- Dwayne
 - HE had success in getting reimbursement from IFSI for a student who didn't attend a class. This was a long tedious process. Remember to cancel on time to avoid any of these issues.
 - Is anyone carrying portable torches on fire apparatus in the winter? Short discussion ensued. Forest has a training put together and he will forward that to us.
 - Is anyone experiencing problems with their air shorelines? Discussion ensued.
- Lori
 - ICS 300 and ICS 400 are being offered in Elk Grove Village. There was discussion on the FEMA ICS classes and certificates.
 - Arlington Heights has been sending their Lieutenants to NWCDS for shadowing. This has been a successful program. If anyone else would like to do this, please call and make arrangements.
- Forest
 - The rules for the new Fire Officer classes are coming to the end. They will be available soon for the response and public comment. The final rules will be published following the process. Both the Company Officer and Advanced Officer classes are 30-40 hours of phase I, which is the online didactic, and 80 hours of phase II, which is the classroom. In addition, a task book needs to be completed. The training report hours should include the hours spent on the task book as well as the Officer and Advanced Officer class hours.
 - The old curriculums will be ending June 30, 2019
- Tom
 - Hoffman will be placing their new tower into service soon. With this move their squad will be going out of service. The front line and reserve will both be towers. Please adjust your run cards accordingly.
